Comment:

In the proposed chart it indicates that it pertains to concrete box culverts and retaining walls. Do we place rock base under these structures?

Comment:

Based on discussions between D5 Construction and FHWA the usage note for streamline contracts will be “Projects less than \$2,000,000 and less than 2,000 tons asphalt.”

Comment:

I have received the following comments from the D2 Construction Residencies for the above mentioned Specification change:

- 1) In the proposed chart it indicates that it pertains to concrete box culverts and retaining walls. Do we place rock base under these structures?

Response:
