Re: Office of Design, Specifications  
Section 004  
Proposed Specification: **0040100SLPQ Scope of the Work - Intent and Scope**

Dear Ms. Gourdine:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

This is one of several specifications to be implemented as special provisions to be used on Streamline Contracts, defined as projects less than \$2,000,000 and less than 2,000 tons of asphalt. These changes were proposed by David Chason of the State Construction Office to specify that the project is a plan quantity contract.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via Email to ST986RP or rudy.powell@dot.state.fl.us.

If you have any questions relating to this specification change, please call Rudy Powell, State Specifications Engineer at 414-4280.

Sincerely,

Rudy Powell, Jr., P.E.  
State Specifications Engineer
