Tallahassee, Florida 32303

Re: Office of Design, Specifications
Section 926
Proposed Specification: **9260202 Epoxy Compounds – Qualified Products List.**

Dear Ms. Gourdine:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

These changes were proposed by Karen Byram to identify the documentation manufacturers must submit with the Qualified Products List (QPL) application in order for their product(s) to be considered for inclusion on the Department's QPL.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via Email to ST986RP or rudy.powell@dot.state.fl.us.

If you have any questions relating to this specification change, please call Rudy Powell, State Specifications Engineer at 414-4280.

Sincerely,

Rudy Powell, Jr., P.E.
State Specifications Engineer
