DBE SPECIFICATION ARTICLE 7-24 7-24.1 General: the name of the policy is inconsistent with the name as shown on the policy and in the forms library (275-030 -11B) Change name to” DBE Affirmative Action Plan”. 7-24.3 Plan Requirements Authority to adopt the Plan is stated as ‘signed by an authorized representative of the contractor’ and this is inconsistent with a) EEO Construction Contract Compliance workbook, section 2.3.2 which states that the DBE Plan is to be signed by “The president, chief executive officer or chairperson” The b) Contractor’s EEO Policy, which must be adopted by that same level of person If you have any questions, please call Marty Anderson @ 954-777-4389. Thank you.
