

ORIGINATION FORM

THE INFORMATION BELOW IS TO BE PROVIDED BY THE ORIGINATOR

Specification: 105

Subject: Contractor Quality Control General Requirements

Origination date: September 2, 2010

Originator: Tom Malerk

Office/Phone: State Materials Office/352-955-6620

Problem statement: Section 105 must be changed in conjunction with changes made to Section 346 and Materials Manual 9.2 Volume II for the July 2011 workbook.

Proposed solution: Proposed changes to Section 105 remove producer requirements that have been added to Materials Manual 9.2 Volume II.

Information source: For more information, contact Mike Bergin at 352-955-6666.

NOTE: This revision includes language for proposed changes from SMO Bituminous Section already sent to the Specifications Office. The changes related to asphalt material may or may not have been processed at this time. They are included here in case they are not processed so that both SMO changes can be reviewed at the same time.

Recommended Usage Note: All contracts

Estimated fiscal impact, if implemented: No fiscal impact as requirements are already in place, but are being moved to the more appropriate document.

Implementation of these changes, if and when approved, will begin with the July 2011 letting.

MEMORANDUM

DATE: September 23, 2010

TO: Specification Review Distribution List

FROM: Rudy Powell, Jr., P.E., State Specifications Engineer

SUBJECT: Proposed Specification: **1050302 Contractor Quality Control General Requirements – Compliance with the Materials Manual.**

We are sending you proposed revisions, dated June 17, 2010, to the Materials Manual for Volume II, Section 9.2, Concrete Production Facilities Guide. These revisions were proposed by the State Materials Office.

Use the temporary link in the attached document to access the redlined version and provide comments.

Please share this proposal with others within your responsibility. Review comments are due within four weeks and should be sent to Mail Station 75 or to my attention via e-mail at ST986RP or rudy.powell@dot.state.fl.us. Comments received after **October 21, 2010**, may not be considered. Your input is encouraged.
