557-6 Basis of Payment.

Payment will be full compensation for all work specified in this Section, including all installations, from plan point of beginning to plan point of ending (i.e. pull box) at plan depth, removal and disposal of excavated materials such as boulders, stumps, and debris, or grading and backfilling to complete restoration of the site. Bundled product in a single plow will be paid for as a single plow based on the required vibrating plow head size. Separate payment will not be made for individual products in a bundle.

The installation of tracking conductors will be included in the cost of the plow and will not be paid for separately.

No payment will be made for a failed plow path or incomplete installations. The removal of all materials installed in a failed plow path will be at no cost to the Department.

No payment will be made for installations until the Plowing Path Report has been delivered to the Engineer.

Payment will be made under:

Pay Item No. 557- 1- Vibratory Plowing - per foot of aggregate product pull diameter.
