Comments: (7-1-11) Confusing: The memo states the mix is to be covered but in 334-5.1.1 the word covered is struck out. Please clarify.

Comments: (7-8-11) 334-5.1.1 Sampling and Testing Requirements The word “covered” has been removed from the second paragraph. I assume that covering is no longer needed or a requirement. Will this change affect test results?
