

EXPECTED IMPLEMENTATION JULY 2012

MEASUREMENT AND PAYMENT.

(REV 11-7-11) (FA 1-10-12) (7-12)

SUBARTICLE 9-5.1 (Pages 100 and 101) is deleted and the following substituted:

9-5.1 General: The Engineer will make partial payments based on the estimated amount of work that the Contractor completes during the month (including delivery of certain materials, as specified herein below). The Department will base the amount of such payments on certified monthly invoices submitted by the Contractor for progress payments each month, less any retainage withheld.

Retainage will not be withheld until the percent of allowable Contract time used exceeds 75%. From that time forward, the Department will withhold retainage of 10% of the amount due on the current estimate as retainage when the percent of allowable Contract time used exceeds the percent of Contract amount earned by more than 15%.

Contract amount is defined as the original Contract amount adjusted by approved supplemental agreements.

Contract time is defined as the original Contract time adjusted by approved Contract time extensions.

Retainage will be determined for each job on multiple job Contracts. The Department will not accept Securities, Certificates of Deposit or letters of credit as a replacement for retainage. Amounts withheld will not be released until payment of the final invoice.
