Re: Office of Design, Specifications  
Section 102  
Proposed Specification: **1021104 Maintenance of Traffic.**

Dear Ms. Gourdine:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

This change was implemented as a Special Provision in Mandatory No. 1, effective July 2012, to the July 2012 Workbook to correct a formatting error. Subarticle 102-11.14 for Arrow Boards was inadvertently inserted as 102-11.4, thus unintentionally deleting 102-11.4 Commercial Material for Driveway Maintenance.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via Email to SP965DB or [duane.brautigam@dot.state.fl.us](mailto:duane.brautigam@dot.state.fl.us).

If you have any questions relating to this specification change, please call Duane Brautigam, Director, Office of Design at 414-4175.

Sincerely,

Signature on file
