Tallahassee, Florida 32303

Re: State Specifications and Estimates Office
Section **286**
Proposed Specification: **2860500 Turnout Construction.**

Dear Ms. Gourdine:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

These changes are to correct a reference to Section 320, due to a rewrite of that section. (Section 320 was completely rewritten for the January 2012 Workbook and the cross reference in 286-5 was overlooked.)

Please review and transmit your comments, if any, within two weeks. Comments should be sent via email to SP965DS or daniel.scheer@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at 414-4130.

Sincerely,

Signature on file

Daniel Scheer, P.E.
State Specifications Engineer
