In Section 3-9 it appears that the text is being modified to read the same way that Florida Chapter 119 reads. Under Item (1) it states that that the Contractor must “keep and maintain public records required by the Department to perform the services”, and the ending of “being performed by the Contractor” has been deleted from the original sentence. In Chapter 119 the term service is singular and not plural. I recommend if the intent is to be consistent with Chapter 119 that the use of service be used, or be written as service(s) rather than simply the plural form.
