Re: State Specifications Office
Section: **001**
Proposed Specification: **0010300 Definitions and Terms.**

Dear Mr. Nguyen:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

The changes are proposed to replace the references to Expedite software with a generic term. The Department's bid software provider will transition from Expedite to a newer version called AASHTOWare Project Bids™.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via email to dan.hurtado@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at 414-4130.

Sincerely,

Signature on file

Dan Hurtado, P.E.
State Specifications Engineer
