

7100401 PAINTED PAVEMENT MARKINGS (FINAL SURFACE)
COMMENTS FROM INTERNAL/INDUSTRY REVIEW

.....
District Three

Comments: (Industry, 07-27-17)

Will the second application on the rumble striping be separated or be included within the LS price for Final Surface Markings? Should this be stated?

Response: No change needed. Please see Section 710-11.2 of the Specification. This states that all applications are included in the lump sum.
