The Procedure reads: 710-9.1 Submittal Instructions: Prepare a certification of quantities, using the Department's current approved form, for each project in the Contract. Submit the certification of quantities and daily worksheets to the Engineer. For Lump Sum pay item 710-90, document the quantity as an estimated percentage (in decimal form) of the total lump sum amount on the daily worksheet. The Department will not pay for any disputed items until the Engineer approves the certification of quantities.

Comment: For consistency, how many decimal places should the quantity be reported to? Tenth, hundredth?

Response: Percentages should be rounded to 2 decimal places.
No change made.
