SUBJECT: January 2020 FDOT Standard Specifications for Road and Bridge Construction

BACKGROUND

The State Program Management Office has released the January 2020 FDOT Standard Specifications for Road and Bridge Construction. The January 2020 Standard Specifications is a consolidation of the July 2019 Standard Specifications eBook with approved revisions through December 2019. The January 2020 Standard Specifications is electronic only and published as an eBook on the Specifications web site at the following address:

<https://www.fdot.gov/programmanagement/Implemented/SpecBooks/default.shtm>

The eBook is provided in Adobe Acrobat (.pdf) format and includes bookmarks, hyperlinks and search capabilities. It may be viewed online, downloaded or printed.

The January 2020 Standard Specifications will be implemented on all projects let January 1, through June 30, 2020. All Plans beginning with the January 2020 letting will include a reference to the new January 2020 Standard Specifications for Road and Bridge Construction on the key sheets. This will ensure uniform reference to this new publication.

If you have any questions, please contact Daniel Strickland at (850) 414-4130 or by e-mail at daniel.strickland@dot.state.fl.
