Re: State Specifications Office  
Section: 710  
Proposed Specification: **7100401 Painted Pavement Markings**

Dear Ms. Domond:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

The changes are proposed by Ryan Gray to include island nose paint under Final Surface LS, rather than having a discrete pay item.

Please review and transmit your comments, if any, within two weeks (10 business days). Comments should be sent via email [daniel.strickland@dot.state.fl.us](mailto:daniel.strickland@dot.state.fl.us).

If you have any questions relating to this specification change, please call me at (850) 414-4130.

Sincerely,

Signature on File

Daniel Strickland, P.E.  
State Specifications Engineer

## PAINTED PAVEMENT MARKINGS (REV 4-30-25)

SUBARTICLE 710-4.1.1 is deleted and the following substituted:

**710-4.1.1 Painted Pavement Markings (Final Surface):** On concrete surfaces or newly constructed asphalt, the painted pavement markings (final surface) will include one application of standard paint applied to the final surface, except as noted herein.

For center line and edge line rumble strip installations where the pavement marking is placed within the grinding, apply a second application of standard paint within 24 hours of each day's grinding operation.

Use durable paint for island nose pavement markings in accordance with Standard Plans Index 711-001.

Do not apply final surface paint where preformed thermoplastic is required in 711-4.2.3.

Do not apply final surface paint where permanent tape will be applied.

SUBARTICLE 710-11.3 is deleted and the following substituted:

**710-11.3 Payment Items:** Payment will be made under:

Item No. 710	Painted Pavement Markings.
	Solid - per gross mile.
	Solid - per linear foot.
	Skip - per gross mile.
	Dotted - per gross mile.
	Message or Symbol -each.
	Arrows - each.
	Yield Line - per linear foot.

~~Island Nose per square foot~~ Item No. 710- 90  
Painted Pavement Markings (Final Surface) - lump

sum.
