Specifications

Name:	Mary Jane Hayden	Standard Specification Section:	287
Email:	maryjane.hayden@dot.state.fl.us	Special Provision:	
Date:	2025-05-29T20:09:31Z	Associated Specs:	9, 330

Summary:

Deleting Spec 287 (Asphalt Treated Permeable Base), and removing reference to ATPB from Section 9-2.1.2 & Table 33-2 in Section 330-6.1.5.

Justification:

Asphalt Treated Permeable Base is obsolete. Pay item history shows it has only been used once in the past 5 years.

Do the changes affect other types of specifications?

Neither

List Specifications Affected:

Other Affected Documents/Offices	Contacted	Yes/No

Are changes in line with promoting and making progress on improving safety, enhancing mobility, inspiring innovation, and fostering talent; explain how?

This change will eliminate an obsolete specification.

What financial impact does the change have; project costs, pay item structure, or consultant fees?

No financial impacts are expected.

What impact does the change have on production or construction schedules?

No impacts to production or construction schedules are anticipated.

How does this change improve efficiency or quality?

This change improves quality as it removes an obsolete item and its pay item.

Which FDOT offices does the change impact?

Design, Construction, & Forecasting and Performance

What is the impact to districts with this change?

No impact to the districts is anticipated from this deletion of an obsolete item.

Does the change shift risk and to who?

This change does not shift risk.

Provide summary and resolution of any outstanding comments from the districts or industry.

Comments and Responses are available on the Track the Status of Revisions hyperlink located on the Specifications landing page: <https://www.fdot.gov/programmanagement/Specs.shtm>

What is the communication plan?

Through the established specification revision process (e.g., Internal and Industry Review)

What is the schedule for implementation?

The Standard Specifications eBook and Workbook are effective July 1st every year.

ASPHALT TREATED PERMEABLE BASE
(REV 6-2-25)

SECTION 287 is deleted.
