Re: State Specifications Office
Section: 709
Proposed Specification: **7090200 Two Reactive Components Pavement Markings**

Dear Mr. Holt:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

The changes are proposed by Julia Cooper to reflect the current procedures and prevent confusion. Removed lines stating the Engineer will take random samples of all material.

Please review and transmit your comments, if any, within two weeks (10 business days). Comments should be sent via email daniel.strickland@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at (850) 414-4130.

Sincerely,

Signature on File

Daniel Strickland, P.E.
State Specifications Engineer
