Re: State Specifications Office
Section: 972
Proposed Specification: **9720000 Recycled Plastic Products**

Dear Mr. Holt:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

The changes are proposed by Karen Byram to delete the Section. Florida Statute Section 336.044 establishes the FDOT authority and guidelines for using recyclable materials in road construction.

Please review and transmit your comments, if any, within two weeks (10 business days). Comments should be sent via email daniel.strickland@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at (850) 414-4130.

Sincerely,

Signature on File
