Specifications

Name:	CO Specifications Office	Standard Specification Section:	
Email:	CO-SPECDEV@dot.state.fl.us	Special Provision:	SP0072900
Date:	2026-03-31T14:01:17Z	Associated Specs:	007

Summary:

Special Provision E-verify (SP0072900) is being implemented as Standard Specification.

Justification:

Special Provisions E-Verify (SP0072900) is required to be used on every project therefore is being moved into the ebook as a Standard Specification. The revision will cause renumbering to SP0072700 (becoming SP0072800) and SP0072800 (becoming SP0072900) which will be processed as admin changes.

Do the changes affect other types of specifications?

Special Provisions

List Specifications Affected:

Section 007, SP007300, SP0072700, and SP0072800

Other Affected Documents/Offices	Contacted	Yes/No

Are changes in line with promoting and making progress on improving safety, enhancing mobility, inspiring innovation, and fostering talent; explain how?

What financial impact does the change have; project costs, pay item structure, or consultant fees?

None.

What impact does the change have on production or construction schedules?

The revision should reduce the number of hours to prepare a Specifications package by implementing required Special Provisions as Standards.

How does this change improve efficiency or quality?

Improves efficiency by standardizing required Special Provisions.

Which FDOT offices does the change impact?

Specifications Office, Office of Construction, Office of Maintenance, District Specification Offices

What is the impact to districts with this change?

Reduces time to create a Specifications Package.

Does the change shift risk and to who?

No.

Provide summary and resolution of any outstanding comments from the districts or industry.

Comments and Responses are available on the Track the Status of Revisions hyperlink located on the Specifications landing page: <https://www.fdot.gov/programmanagement/Specs.shtm>

What is the communication plan?

Through the established specification revision process (e.g., Internal and Industry Review)

What is the schedule for implementation?

The Standard Specifications eBook and Workbook are effective July 1st every year.
