PROSECUTION AND PROGRESS – PROSECUTION OF WORK - BEGINNING WORK (NOTICE TO PROCEED).
(REV 11-4-26) (FA 4-27-17) (FY 2027-28)

SUBARTICLE 8-3.3 is deleted and the following substituted:

Notify the Engineer not less than five days in advance of the planned start day of work. Upon the receipt of such notice, the Engineer may give the Contractor Notice to Proceed and may designate the point or points to start the work. In the Notice to Proceed, the Engineer may waive the five-day advance notice and authorize the Contractor to begin immediately. Notify the Engineer in writing at least two days in advance of the starting date of important features of the work. Do not commence work under the Contract until after the Department has issued the Notice to Proceed. For this Contract, the Department will issue the Notice to Proceed within ___ calendar days, excluding Saturdays, Sundays, and State Holidays, after execution of the Contract.
