SUBJECT: January 2018 FDOT Standard Specifications for Road and Bridge Construction

### **BACKGROUND**

The State Program Management Office has released the January 2018 FDOT Standard Specifications for Road and Bridge Construction. The January 2018 Standard Specifications is a consolidation of the July 2017 Standard Specifications eBook with approved revisions through December 2017. The January 2018 Standard Specifications is electronic only and published as an eBook on the Specifications web site at the following address:

<http://www.fdot.gov/programmanagement/Implemented/SpecBooks/default.shtm>

The eBook is provided in Adobe Acrobat (.pdf) format and includes bookmarks, hyperlinks and search capabilities. It may be viewed online, downloaded or printed.

The January 2018 Standard Specifications will be implemented on all projects let January 1, through June 30, 2018. All Plans beginning with the January 2018 letting will include a reference to the new January 2018 Standard Specifications for Road and Bridge Construction on the key sheets. This will ensure uniform reference to this new publication.
