SUBJECT: July 2017 FDOT Standard Specifications for Road and Bridge Construction

BACKGROUND

The State Program Management Office has released the July 2017 FDOT Standard Specifications for Road and Bridge Construction. The July 2017 Standard Specifications is a consolidation of the January 2017 Standard Specifications eBook with approved revisions through June 2017. The July 2017 Standard Specifications is electronic only and published as an eBook on the Specifications web site at the following address:

<http://www.fdot.gov/programmanagement/Implemented/SpecBooks/default.shtm>

The eBook is provided in Adobe Acrobat (.pdf) format and includes bookmarks, hyperlinks and search capabilities. It may be viewed online, downloaded or printed.

The July 2017 Standard Specifications will be implemented on all projects let July 1, 2017 through December 31, 2017. All Plans beginning with the July 2017 letting will include a reference to the new July 2017 Standard Specifications for Road and Bridge Construction on the key sheets. This will ensure uniform reference to this new publication.

If you have any questions, please contact Dan Hurtado at (850) 414-4130 or by e-mail at dan.hurtado@dot.state.fl.us.
