

COLLEGE FOOTBALL GAME DAY TRAFFIC: FLORIDA STATE UNIVERSITY vs. NORTH CAROLINA STATE UNIVERSITY

Legend:  Telemetered Traffic Monitoring Station (TTMS)
(Interactive - hover your cursor over TTMS sites)

 Stadium

Game Date: November 14, 2015

The hourly distribution of traffic volumes indicate the peak hours before and after the game. The graphs show the percent change in traffic of this game day compared to normal fall semester Saturdays. In some cases, the peak hour varies between TTMS sites due to the proximity of the site to the stadium.
