**TIMELINESS NOTES**

- Centerline Miles and Lane Miles are as of December 31 of the report year. DVMT uses Annual Average Daily Traffic (AADT) for the entire calendar year ending that same December 31.

**CONTENT NOTES**

- Report includes data for roads in the Roadway Characteristics Inventory that are on the State Highway System.
- The Turnpike system is included in the State Highway System for statistical reporting purposes. Roads on the Turnpike System are shown here according to the county in which the mileage is located. As a result, Turnpike mileage appears to be under the jurisdiction of the several Districts; however, the Turnpike Enterprise is a separate administrative entity of the Florida Department of Transportation. In order to help communicate the Turnpike's status, Turnpike mileage is shown separately on page 8. This mileage includes the original Florida's Turnpike and Homestead Extension, the Sawgrass Expressway, Veterans Expressway, Seminole Expressway, Southern Connector Extension, Polk Parkway, Suncoast Parkway, and parts of the Beachline Expressway and Western Beltway.
- Totals may not agree due to rounding.
- Each part of a one-way pair is treated as a separate roadway to calculate centerline mileage.
- The Summary page may include a few miles of roads (not functionally classified, or functionally classified as "local") that are not on other pages.

- The "Toll" columns on pages 2, 3, and 4 include Turnpike roads but do not include Interstate highways with tolls: the Alligator Alley part of I-75 and the Sunshine Skyway part of I-275. Mileages for tolled Interstates are included in the Interstate column on those pages.

**DEFINITIONS**

- Urban means having a population of at least 5,000.
- DVMT means Daily Vehicle Miles Traveled, the product of Annual Average Daily Traffic times Length of Road. Shown here in Thousands.
