

2021 STATEWIDE ANNUAL MEETING

WEBINAR SERIES

Join us for FDOT's 2021 Statewide Non-Motorized Traffic Monitoring Program's Annual Meeting. This year's meeting will be a virtual webinar series that will cover numerous topics related to non-motorized traffic data collection. In addition to FDOT staff, we'll be inviting experts from around the state and beyond to share their experiences and best practices related to this rapidly growing field.
