

Closeout Session 5: Summary of Whitepaper

(12:00 - 12:30pm)

5.1 Summary Discussion at Tables for Whitepaper** *(10 mins)*

5.2 Announcement of Key Items from Each Table *(10 mins)*

5.3 Discussion of site for Next Workshop IW-FRPCS3 *(5 mins)*

5.4 Closing Remarks *(5 mins)*

*** Scribes at each session discussion recorded issues of concern, agreement and needs raised by attendees for advancing the safe and economical deployment of GFRP reinforced concrete. These notes will be summarized for preparation of a whitepaper. The whitepaper is expected to be completed by March 31st for distribution to the attendees as a record of the workshop and voluntary action plan preceding the **3rd International Workshop** in 2020/2021.*
