MEMORANDUM

DATE: August 6, 2018

TO: Robert Bostian

FROM: Leila Mousseau, Rail Coordinator

COPIES: Birgit Olkuch, File

SUBJECT: FM# 439891-1, SR-869/SW 10th Street W of SR-845/Powerline Rd to W of Military Trail, in Broward County

FED AID: N/A

Our office has reviewed this project's scope and location and has concluded that the work performed at this location will have NO impact on the railroad right of way. Therefore, **this project is clear of any rail involvement.**

NOTE: If the scope of this project should change involving signalization (within 200' of the railroad crossing), work in or near the railroad right of way or MOT/Traffic Control impacting the RR right of way. Please notify the Rail Coordinator's office as soon as possible.

If you have any questions, please contact me at extension 4401.
