

SW 10TH ST. CONNECTOR

FDOT DISTRICT 4

SOUTH FLORIDA IS GETTING THE CRITICAL CONNECTION IT NEEDS.

Designed through a vision that **prioritizes your safety, time, and quality of life**, the SW 10th Street Connector Project will provide residents, commercial traffic, and the region the **safe, efficient, and reliable transportation option** that has been promised for decades.

PROJECT IMPROVEMENTS

<p>Completing the missing link in the region's limited access highway network</p>	<p>Community-centered design decisions</p>	<p>Lower speed limit on local lanes</p>	<p>Shared-use path for all users</p>	<p>And much more!</p>
<p>Technology providing safer roads and real time traffic information</p>	<p>Utility Upgrades</p>	<p>Noise Barrier Walls</p>	<p>Green Space</p>	

PROJECT TIMELINE

Upon project completion, the corridor will have:

2

reconstructed major intersections

1

reconstructed major interchange

multimodal access along the south side of local SW 10th Street

RETURNING SW 10TH STREET BACK TO THE LOCAL COMMUNITY

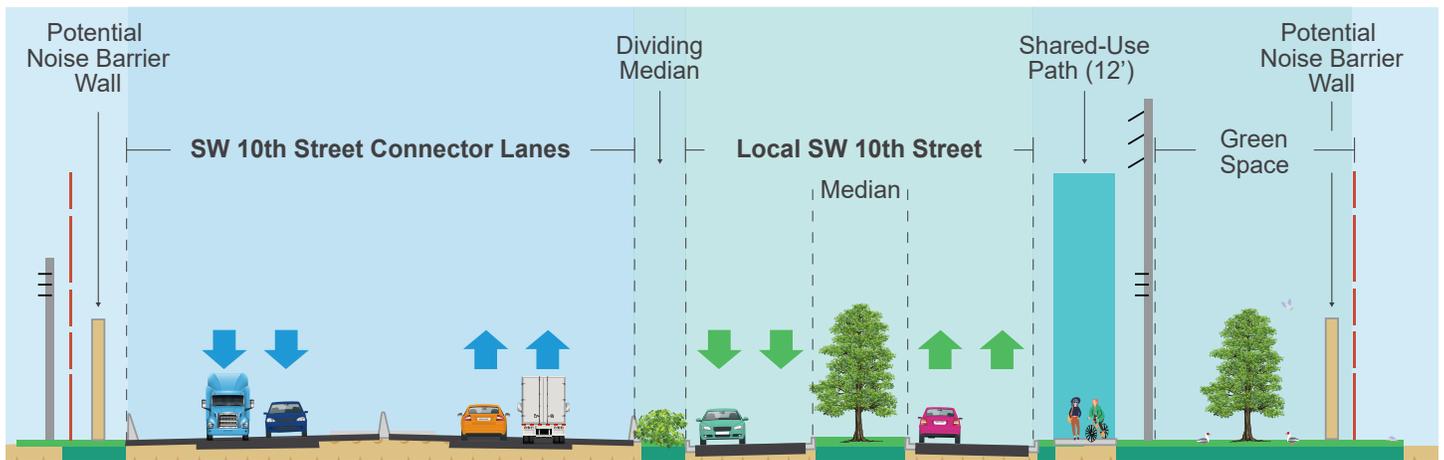

And will have the following benefits:

- Enhanced safety
- Additional accessibility and connectivity
- Better quality of life for residents
- Improved air quality
- Reduced congestion and commuting time
- Stimulation of economy and growth in the region

The upgraded SW 10th Street Corridor is designed for users of all ages, modes, and abilities.
