

SW 10TH ST. CONNECTOR

FDOT DISTRICT 4

SOUTH FLORIDA IS GETTING THE CRITICAL CONNECTION IT NEEDS

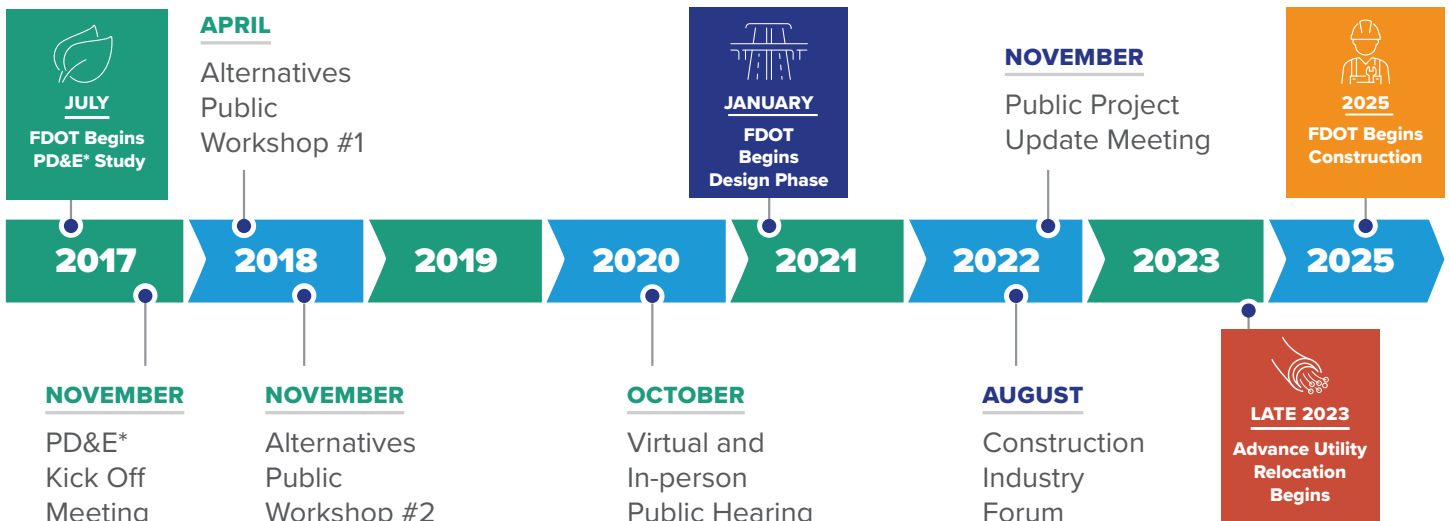

Designed through a vision that prioritizes your safety, time, and quality of life, the SW 10th Street Connector Project will provide residents, commercial traffic, and the region the **safe, efficient, and reliable transportation option** that has been promised for decades.

PROJECT IMPROVEMENTS

- Completes the missing link in the region's limited access highway network
- Community-centered design decisions
- Lower speed limit on local lanes
- Shared-use path for all users
- Technology that provides safer roads and real-time traffic information
- Utility upgrades
- Noise barrier walls
- Green space
- And much more!

SW 10TH STREET CONNECTOR PROJECT TIMELINE

*Project Development & Environment

Upon project completion, the corridor will have:

2

reconstructed major **intersections**

1

reconstructed major **interchange**

multimodal access along the south side of local SW 10th Street

RETURNING SW 10TH STREET BACK TO THE LOCAL COMMUNITY

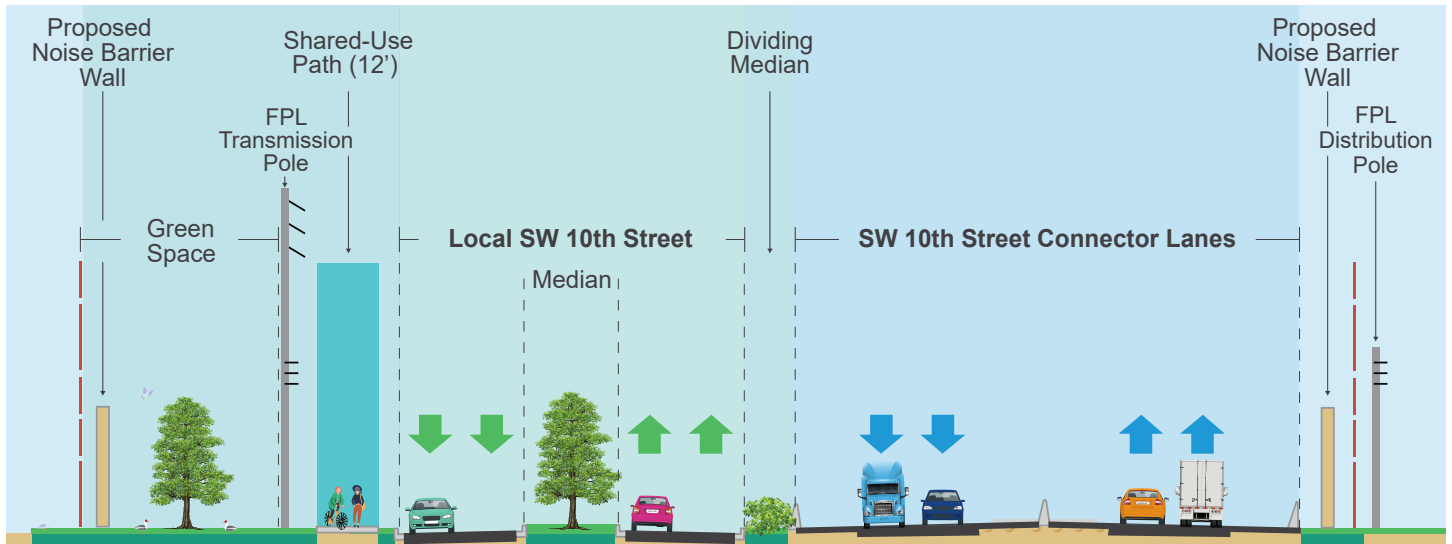

And will have the following benefits:

- ➔ Enhanced safety
- ➔ Additional accessibility and connectivity
- ➔ Better quality of life for residents
- ➔ Improved air quality
- ➔ Reduced congestion and commuting time
- ➔ Stimulation of economy and growth in the region

The upgraded SW 10th Street corridor is designed for users of all ages, modes, and abilities.
