

SW 10TH ST. CONNECTOR

FDOT DISTRICT 4

SOUTH FLORIDA IS GETTING THE CRITICAL CONNECTION IT NEEDS

Designed through a vision that **prioritizes your safety, time, and quality of life**, the SW 10th Street Connector Project will provide residents, commercial traffic, and the region the **safe, efficient, and reliable transportation option** that has been promised for decades.

PROJECT IMPROVEMENTS

Completes the missing link in the region's limited access highway network

Community-centered design decisions

Lower speed limit on local lanes

Shared-use path for all users

And much more!

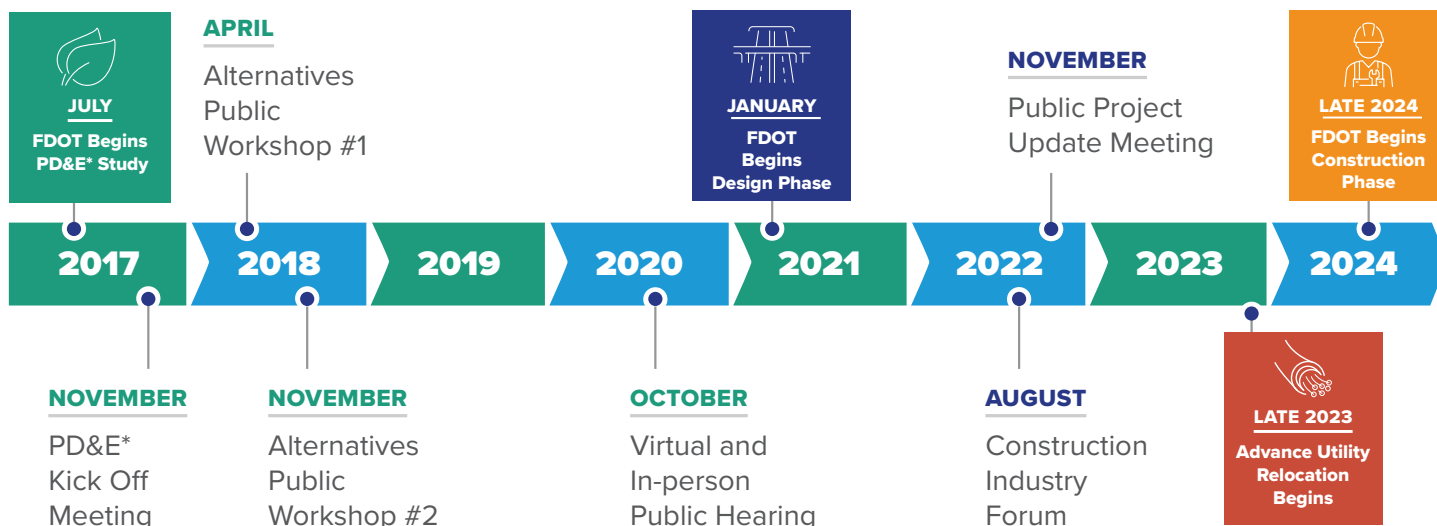

Technology that provides safer roads and real-time traffic information

Utility upgrades

Noise barrier walls

Green space

SW 10TH STREET CONNECTOR PROJECT TIMELINE

*Project Development & Environment

For more information, visit the project website: www.sw10street.com

#436964-2 | #439891-1
Rev. October 2022

Upon project completion, the corridor will have:

2 reconstructed major **intersections**

1 reconstructed major **interchange**

multimodal access along the south side of local SW 10th Street

RETURNING SW 10TH STREET BACK TO THE LOCAL COMMUNITY

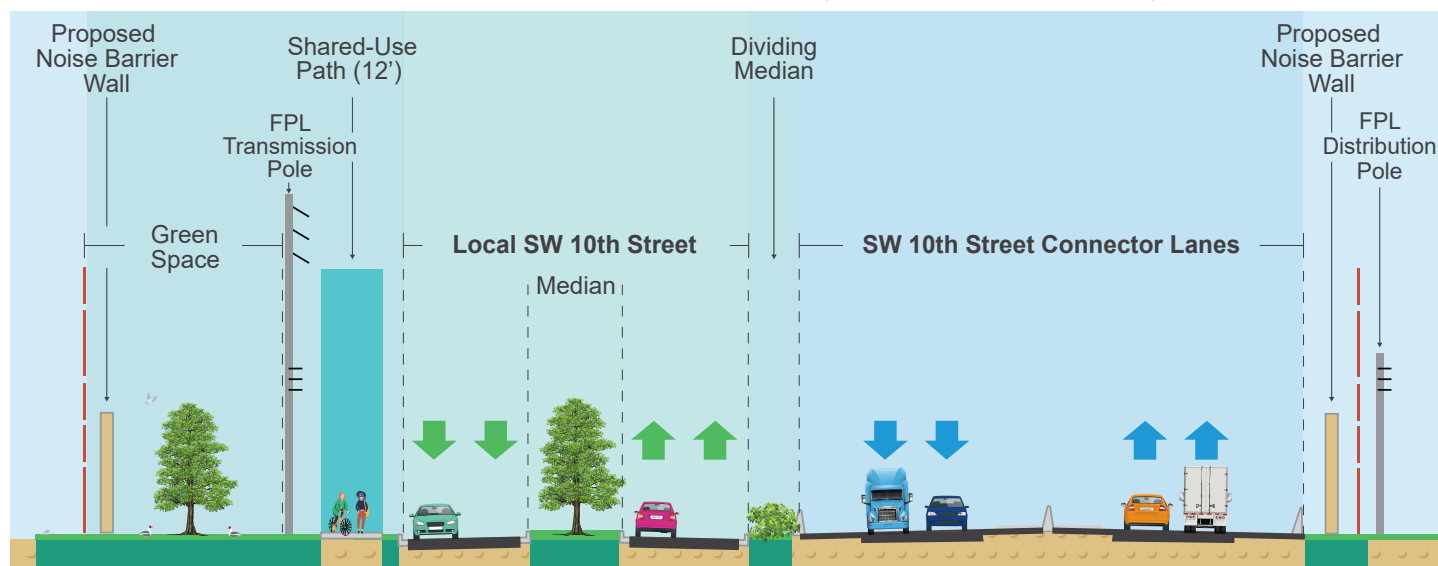

And will have the following benefits:

- ➔ Enhanced safety
- ➔ Additional accessibility and connectivity
- ➔ Better quality of life for residents
- ➔ Improved air quality
- ➔ Reduced congestion and commuting time
- ➔ Stimulation of economy and growth in the region

The upgraded SW 10th Street corridor is designed for users of all ages, modes, and abilities.

PROJECT ROADWAY CONFIGURATIONS (LOOKING WEST)

PROJECT RENDERINGS

SW 10th Street corridor looking west - Local SW 10th Street to the south and SW 10th Street connector lanes to the north

Eastbound SW 10th Street Connector/ local SW 10th Street decision point

To address the needs of both the local community and the broader south Florida region, the SW 10th St Connector Project will return the local roadway to the community by separating it from the through and freight traffic, increasing safety and mobility for all users of the corridor.
