# Project Update Webinars

Please join us for SW 10<sup>th</sup> Street Connector and I-95 PD&E Studies Project Update Webinar. There are three webinar options:

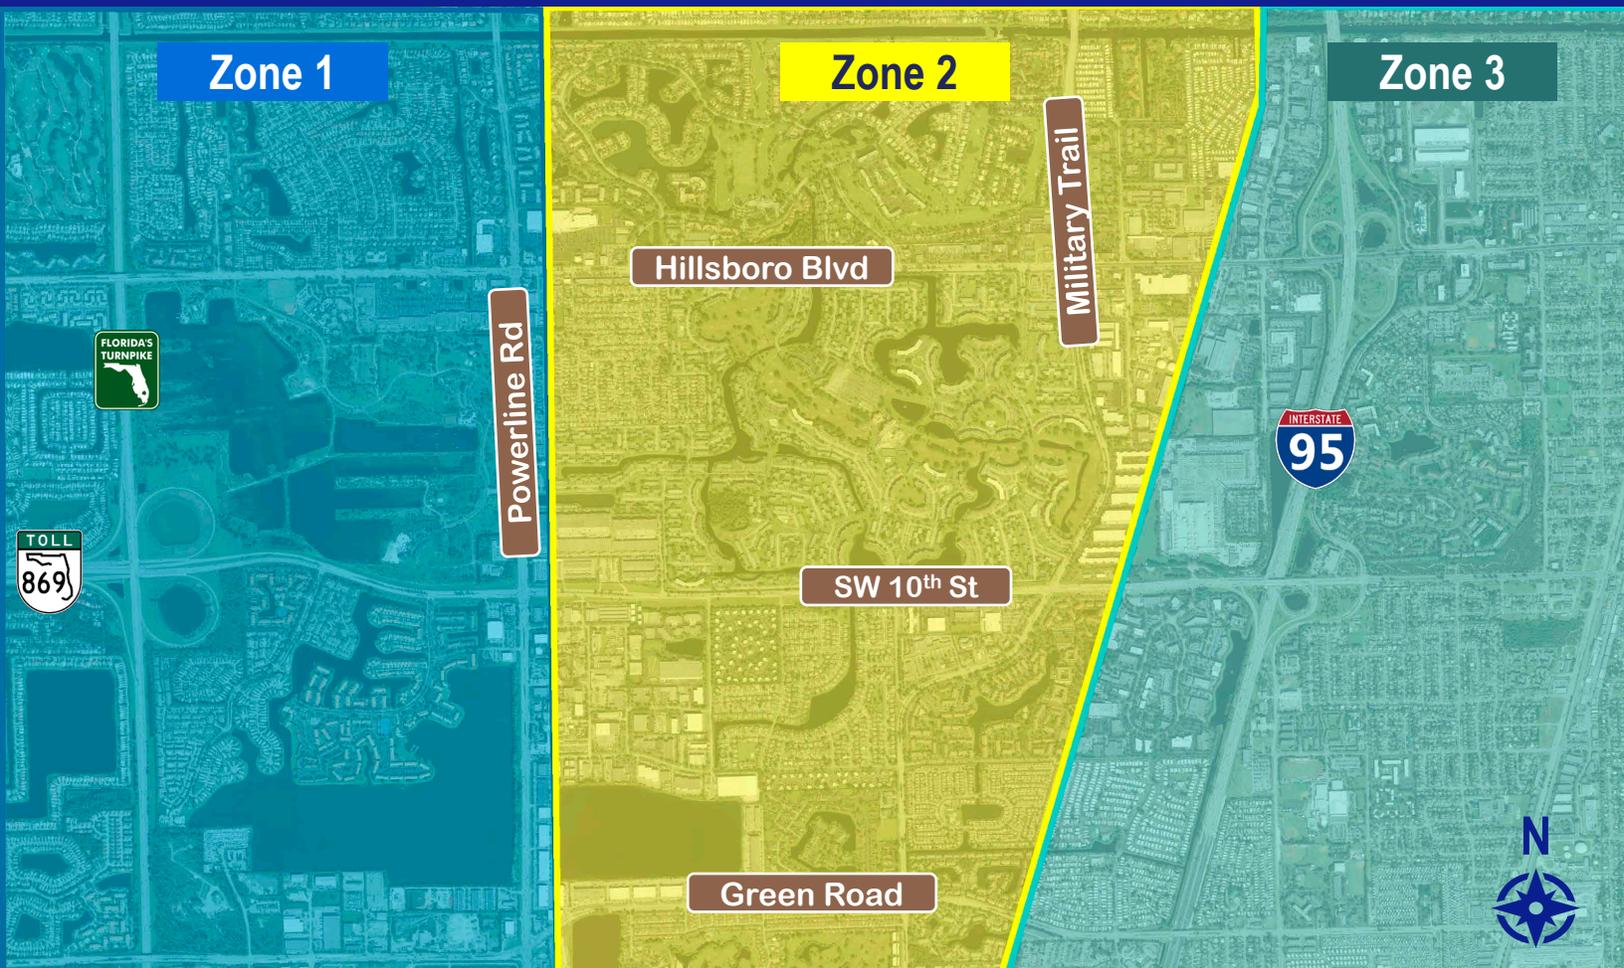

**Zone 1: Thursday, June 18<sup>th</sup> from 7:00 p.m. to 8:30 p.m.**

**Zone 2: Monday, June 29<sup>th</sup> from 7:00 p.m. to 8:30 p.m.**

**Zone 3: Wednesday, July 1<sup>st</sup> from 7:00 p.m. to 8:30 p.m.**

The webinars will be **online only**.

The webinars will provide an update on the projects and changes since the last Alternatives Public Workshop and will be offered on three different days. The project corridor has been divided into three geographic areas or zones, see map below. The intent of the three webinars is to present the same presentation content but tailored to each specific geographic area and associated concerns along the corridor. If you are unable to attend your zone's webinar, feel free to register for another date. In advance of the webinar, the exhibits will be posted to the project websites, listed on the following page.

# How To Register for the Webinar

**Pre-registration for the webinars is required;** visit either of the project websites for a link to register: [www.sw10street.com](http://www.sw10street.com) or [www.fdot.gov/projects/sefl/future/95/sr9](http://www.fdot.gov/projects/sefl/future/95/sr9).

Once you have registered for a webinar, an email containing a personalized link will be sent to you with instructions for joining the webinar at the specified date and time.

## Webinar Procedures

The webinar will be divided into two sections:

- Slideshow presentation (consistent between webinars) – begins at 7:00 p.m., please join the webinar 15 minutes in advance to ensure no technical difficulties.
- Question and Answer period (tailored per zone) – begins at 7:30 p.m., or as soon as the presentation is complete.

**Microphones will be muted during the webinar** except for those who are presenting or answering questions.

Comments and questions can be provided in the following formats:

- Submit your comments or questions by **2 p.m. on the day of the webinar** to one of the project websites for your comments to be addressed **during** the webinar.
- Enter your comments or questions in the **chat window during the webinar**.
- Call (305) 573-0089 to provide a verbal comment to a team member.
- Submit your comments or questions to one of the project websites after the webinar and a written response will be provided afterward.

Questions will be responded to as time permits, in the order received. If your question is not responded to during the webinar, a response will be provided in writing following the webinar.

After the webinar, the following will be posted on the project websites:

- A PDF of the presentation
- A list of the most common questions and answers received during the webinars
