

Relationship between the Florida Transportation Plan, Five-Year Work Program, and State Transportation Improvement Plan

Florida's long range transportation plan that provides policy guidance for how we use our state and federal dollars that flow through the Work Program. Updated every five years with a 25-year horizon. Click [here](#) for more information about the Florida Transportation Plan (FTP).

FIVE-YEAR WORK PROGRAM

Identifies how FDOT will use state and federal dollars over the next five years and confirms the Department's financial commitment. Updated every year with a five-year horizon. Click [here](#) for more information about FDOT's Five Year Work Program.

State Transportation Improvement Plan (STIP)

Federally mandated document that includes a list of projects with federal funding in the next four years. Projects listed in the STIP are drawn from the Work Program. Updated every year with a four-year horizon. Click [here](#) for more information about the STIP.
