Subject: Florida System Implementation Enforcement Grace Extension

As a follow up to the March 19, 2024 memo from the Florida Department of Highway Safety and Motor Vehicles, our office underwent a system implementation with office closures from May 30, 2024 through June 13, 2024. During this time, we were not able to renew, replace, or issue new licenses and decals.

As a result, we are experiencing delays in processing IFTA customers within our normal timeframe. Due to the system conversion issues, Florida requests that law enforcement please refrain from taking action against licensees needing additional or replacement decals from May 30, 2024 until August 30, 2024.

If you have any questions, please contact Florida IFTA Commissioner Dawn Gunter at (850) 617-2852.
