Tele: (866) 502-8312 Passcode: 4105622

Roll Call

Action items review

- Clay to request update on 1310 (Approved probably will go with Color DMS in SG 6.0 or 6.1)
- John Scarpellino to enter footprint for visibility range (done FP 1891)
- Jason to verify FP 1769 in District 2 (pending)
- Clay to ask SwRI for cost for FP 1770 (Fixed, released, and waiting on confirmation Mark Laird?)
- SSUG recommends 1827 to CMB (Clay is checking on this: cost estimate requested by COB 12/5)
- SSUG to provide input/priority of FP 1748 (reuse name in other agency) and FP 1634 (same issue with contact phone number) (unassigned ran out of time last meeting) (Clay emailed about these issues on 11/22/2011 they are possibly covered by Database ID's enhancement approved at CMB on 11/15)

Topics:

- Nominate and vote on new SSUG chair
- Brian FP 1055: Discuss Excel Template and solicit feedback, buy-in, or any possible concerns.
- Arun or Clay SunGuide 6.0: scope/schedule
- C2C discussion feedback from users possible enhancement/ ideas to improve robustness.
- Clay/Ron/Derek Video Switching IPVideoDevices.xml configuration file support policy update
 – we are anticipating support for H.264 and will be providing support from experience both at
 SwRI and at TERL to provide updates to this configuration/compatibility file. Please be aware of
 this when you deploy new video switching devices and contact SunGuide support for help with
 this.
- Clay DataGuard formal support: This is deferred for now due to SQL migration activity; however, this concept and support should be included in the SQL Server migration scope.

Clustering document is being finalized for distribution and publishing on SwRI's website. (done) Comments?

- Clay SQL Server old action item to poll SSUG for feature comparison between SQL Server and Oracle that they are aware of... also, let's open the forum for some discussion on this possible database migration. (OBE, but good discussion placeholder for SQL Server)
- Jason Event type flag in FP 1744 need to discuss/walk-through each event time and discuss; find volunteer to go to CMB to present.

Open Forum:

- Issues
- Enhancements
