Polk County Projects

Construct Central Polk Parkway from the Polk Parkway / SR 570 to US 17
FPN: 440897-2

The project constructs the first segment of the Central Polk Parkway linking the Polk Parkway / SR 570 at Winter Lake Road / SR 540 to US 17. The 6-mile roadway will be a four-lane, divided, limited-access facility. It will reduce commercial vehicle traffic through Bartow, enhance safety by separating regional through-traffic from local traffic, and provide regional connectivity. Construction of this over \$263 million project is scheduled to begin in FY 2023 and the remaining expenditure to complete the project is funded in FY 2025. A second segment of the project will involve extension of the facility to SR 60.
