

# Florida's Turnpike Enterprise

## Tentative Five-Year Work Program

### FY 2027 through FY 2031

### Summary of Projects

## Overview

The First Coast Expressway / SR 23 is a 46-mile, four-lane, limited access toll facility from I-95 in St Johns County to I-10 in Duval County. Constructed in phases, the facility is a partnership between FDOT District Two and Florida's Turnpike Enterprise (the Enterprise), with a total cost of approximately \$2 billion. FDOT District Two is responsible for planning, designing, and constructing the facility, while the Enterprise owns, operates, and maintains the facility once it is open to traffic. Currently under construction are two roadway segments from I-95 to SR 16, totaling \$525 million in project costs.

In FY 2027 through FY 2031, over \$4 million in Enterprise funding is programmed for a resurfacing project along First Coast Expressway / SR 23. This amount includes the phases referenced below:

Phase		Funding Code
PE	Preliminary Engineering	32
CST	Construction	52, 61, 62

## Summary of Major Project Funding

### **R** Resurface First Coast Expressway / SR 23 (MP 44.7 to MP 45.7) FPID: 457007-1

The project resurfaces a segment of First Coast Expressway / SR 23 from MP 44.7 to MP 45.7 in Duval County. Work includes milling and resurfacing.

Phase	Fiscal Year					5 Year Total
	2027	2028	2029	2030	2031	
PE	\$431,000	\$ -	\$ -	\$ -	\$ -	<b>\$431,000</b>
CST	\$ -	\$4,401,200	\$ -	\$ -	\$ -	<b>\$4,401,200</b>
<b>Total</b>	<b>\$431,000</b>	<b>\$4,401,200</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$4,832,200</b>

*Note: Construction funding has been added to the Tentative Five-Year Work Program.*
