The Florida Department of Transportation (FDOT) will conduct a Public Kick-Off Meeting regarding the above referenced project. This Public Kick-Off Meeting will be offered in two different formats: virtual and in-person. The public meeting will begin with a presentation followed by a question-and-answer period. Attendees can ask questions and/or make comments via the chat function or in-person for project representatives to answer. Questions and comments can be submitted prior to the meeting by emailing the project manager. Project information can be viewed on the project website: <https://www.fdot.gov/projects/WilloughbyPDE>.

PD&E STUDY PURPOSE

A PD&E Study is FDOT's process to evaluate the social, economic, and environmental impacts associated with a planned transportation improvement project.

The purpose of this project is to provide system linkage in the roadway network, reduce area congestion by providing an additional north-south corridor, improve travel and multimodal connectivity, and address safety for bicyclists.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May 26, 2022, and executed by the Federal Highway Administration (FHWA) and FDOT.

PD&E STUDY SCHEDULE

PD&E Study Start: June 2024

PD&E Estimated Completion: June 2028
