FY2008/09 - 2012 /13

STIP Amendment Number: 09-08R

TIP Page Number: State Wide N/A

On **Thursday, April 09, 2009**, the FI DOT Metropolitan Planning Organization amended the Transportation Improvement Program that was developed and adopted in compliance with Title 23 and Title 49 in a continuing, cooperative and comprehensive transportation planning process as a condition to the receipt of federal assistance.

The amendment does not adversely impact the air quality conformity or financial constraints of the STIP.

The STIP Amendment is consistent with the Adopted Long Range Transportation Plan. (Page Number: N/A)

FDOT Central Office Representative or Designee

Federal Aid Management Manager or Designee

Federal Authorization

STIP amendment criteria

A - The change adds new individual projects to the current STIP

An air conformity determination must be made by the MPO on amended projects within the non-attainment or maintenance areas

E - The MPO is not in an air quality non-attainment or maintenance area.
